FAVOR AND PEACE TO YOU FROM YAHWEH AND YAHSHUA

To the law and to the testimony!

I wanted us to remember the agreement we made as we approach Passover. We were once bound by the Torah of sin, but now we are governed by the Torah of life. We thank Yahweh because the Good News came and brought an offer to leave one contract for a far greater one.

Now, when we sin and the accuser comes for a settlement, it is Yahshua who loans us His righteousness. To repay Him, we fulfill the requirements of righteousness. What I want to emphasize is that we all come with a balance to transfer, and Yahshua says, "Come, I will settle the account you have with death."

So, remember that Passover is the renewal of our contract—to be in union with the Son, Yahshua, who is in union with the Father, Yahweh.

Thank You, Father, for all that You do. May your name be glorified.
